

Football Usage Policy

The new facilities at Forthbank and PPP High Schools have provided us with the opportunity to review the usage policies in place and consider more effective and beneficial ways of meeting the needs of all of our users.

In conjunction with Active Stirling's Football Development Officer and in line with SFA guidelines we have looked closely at the continued development and sustainability of youth football and development of our local clubs. The new pitches will help to support the fantastic work being done in our communities. Consequently, a usage policy has been created and is outlined below:

- Priority bookings allocated to Active Stirling Football Development Programme, SportCentral Football Development Programme and local clubs. (U16 and below get priority access between the hours of 4:00-7:00pm Monday – Friday.)
- When accepting bookings at any time, Active Stirling will consider the application against the following criteria:
 - Are you affiliated to ClubSport Stirling?
 - Have you received your ClubSport Stirling Charter Mark?
 - Have you received your SFA Quality Mark?
- Discounted rates are available for those affiliated to Club Sport Stirling and those that have achieved their Charter Mark status.
- U12's football and below to be situated in the Five-a-side pitches where possible (this applies to Forthbank only).
- U13's football and upwards to be situated on the Synthetic Pitch where possible.
- All bookings will be reviewed in July 2010 and annually thereafter.
- This policy will be reviewed in July 2011.

For further information on ClubSport Stirling affiliation, ClubSport Stirling Charter Mark and SFA Quality Mark, please contact Scott Kinross on 01786 432323 or email kinrosss@activestirling.org.uk
